

# Detailed Financial Breakdown & Cost Estimation

The following table details the internal resource allocation, subcontracting layers, and direct purchase costs matching the total €20,000,000 physical subsea works budget for **AETERNA-SCW**. Direct equipment costs comprise optical phase coherent monitors, transceivers, and AMD/NVIDIA server hardware installed along landing points.

| Cost Category / Work Package     | AETERNA (Lead)       | Hellenic Auth.       | Munich Inst.         | Total (€)             | EU Match (50%)        |
|----------------------------------|----------------------|----------------------|----------------------|-----------------------|-----------------------|
| A. Direct Personnel Costs        | €3,500,000.00        | €2,000,000.00        | €2,200,000.00        | <b>€7,700,000.00</b>  | <b>€3,850,000.00</b>  |
| B. Direct Subcontracting Costs   | €1,000,000.00        | €500,000.00          | €0.00                | <b>€1,500,000.00</b>  | <b>€750,000.00</b>    |
| C. Direct Purchase: Travel       | €200,000.00          | €150,000.00          | €100,000.00          | <b>€450,000.00</b>    | <b>€225,000.00</b>    |
| D. Direct Purchase: Equipment    | €3,800,000.00        | €2,500,000.00        | €1,800,000.00        | <b>€8,100,000.00</b>  | <b>€4,050,000.00</b>  |
| E. Direct Purchase: Other goods  | €443,925.23          | €490,186.92          | €105,607.48          | <b>€1,039,719.63</b>  | <b>€519,859.82</b>    |
| F. Indirect Costs (7% Flat Rate) | €556,074.77          | €359,813.08          | €294,392.52          | <b>€1,210,280.37</b>  | <b>€605,140.19</b>    |
| <b>Total Estimated Costs</b>     | <b>€9,500,000.00</b> | <b>€6,000,000.00</b> | <b>€4,500,000.00</b> | <b>€20,000,000.00</b> | <b>€10,000,000.00</b> |

## Formulas and Calculations:

- *Total Budget is calculated as the sum of all partner contributions for each direct and indirect expense category.*
- *EU Match (50%) matches the matched action grant co-funding model.*
- *Indirect costs are calculated exactly at a 7% flat rate on direct costs (Personnel + Travel + Equipment + Other goods) excluding direct subcontracting layers, strictly complying with the CEF Model Grant Agreement.*
